U2CHARIST II

WITH INTERNATIONALLY KNOWN U2 TRIBUTE BAND - ELEVATION

ST PAUL'S CATHEDRAL, LONDON, ON
(RICHMOND ST @ QUEENS)

FRIDAY, OCTOBER 23, 2009 8:00pm

Guest Speaker: Rachel Johnson, RN

Come and worship in a traditional church using the music of one of the world's most popular bands, U2. The songs of U2 speak to both the church and the world. Come out and experience their music in a different way.

All money collected at this service will go to the Keiskamma Trust for whom Rachel Johnson worked in South Africa. Rachel worked in the HIV/AIDS Treatment Centre, but the Trust offers much more to the local community, the district and South Africa as a whole.

KT finds a way to help build capacity in every area, from Youth and Adolescents Development, Education and an Orphans and Vulnerable Children programme, to Art and Poverty Alleviation, Organic Gardening, and Health Care specialized in HIV and TB. KT also works to build the capacity of other government programmes including the local hospitals and Primary Health Care Clinics.

There is no charge to attend the service – a freewill offering will be taken for those who wish to donate.
